Poll Watchers and Monitors Needed!

This is important! I know many of you have been working hard on a number of local and statewide campaigns, and I'm going to ask you to step up again one last time.

You've read in the Carroll County Times and seen on TV and the web that the Republicans will interfere with this election. They are interfering with Board of Elections activities, and they will show up on Election Day to try to stop people from voting.

You can help stop them from their attacks on democracy!

Please visit the Maryland Democratic Party Voter Protection page at

<https://mddems.com/voter-protection-program/>

Sign up to be a poll watcher or monitor on Election Day. You'll receive online training, so you'll be prepared. The Maryland Democratic Party will have a team of workers and lawyers ready to step in and stop Republicans from carrying out their strong-arm tactics. All you'll need are your phone and your willingness to make a difference. And you will be making a difference!

I'm looking forward to working with you on Election Day, 2022.

Thanks,

Mitch Edelman – MDP Voter Protection Volunteer Coordinator for Carroll County
